

WINE UNDER \$20

**For This Wine,
A Movie Tie-In**

The highest aspirations of Argentine winegrowers are realized in the 2003 Clos de los Siete, an artful mélange of malbec, cabernet sauvignon, syrah and merlot. A new brand in Mendoza Province, this red is only its second vintage. The voluptuous, flavor-packed style was created by Michel Rolland, an internationally renowned consultant based in Pomerol, France; he is a central figure in "Mondovino," a 2005 documentary. Park Avenue Liquor Shop, 292 Madison Avenue (41st Street), charges \$18.
